

**STEPHEN M. BONSBIB, M.D.
NEPHROPATH**

CURRICULUM VITAE

April, 2018

EDUCATION

College

1972	B.A.	Indiana University
1976	M.S. [Chemistry]	Indiana University
1978	M.D.	Indiana University

Post Graduate Education

1978-82	Pathology Resident [Chief Resident]	University of Iowa Hospitals & Clinics
1/82-7/82	Renal Pathology Fellowship	William Beaumont Hospital
7/82-6/83	Surgical Pathology Fellowship	University of Iowa Hospitals & Clinics

Board Certification

Anatomic and Clinical Pathology	10-16-83
---------------------------------	----------

PROFESSIONAL

Current Position - Nephrologist at Nephropath, Little Rock, AR

Academic appointments

7/82-6/83	Associate, University of Iowa College of Medicine
7/82-6/97	Attending Physician, VA Medical Center, Iowa City, IA
7/83-6/87	Assistant Professor, University of Iowa College of Medicine, Iowa City, IA
1/85-6/97	Director, Electron Microscopy Lab, University of Iowa Hospitals & Clinics, Iowa City, IA
7/84-87	Director, Histopathology Lab, VA Medical Center, Iowa City, IA
7/87-6/94	Associate Professor, University of Iowa College of Medicine, Iowa City, IA
7/94-6/97	Professor, University of Iowa and VA Medical Center, Iowa City, IA
7/97-5/00	Professor and Associate Director of Anatomic Pathology, University of Arkansas for Medical Sciences, Little Rock, AR
10/98-5/00	Vice Chairman and Director of Pathology, Arkansas Cancer Research Center, University of Arkansas for Medical Sciences
6/15-9/00	Professor, Chief of Anatomic Pathology and Associate Chairman, Medical College of Georgia, Augusta, GA
9/00-1/02	Interim Chairman and Chief of Anatomic Pathology, Medical College of Georgia, Augusta, GA
2/02-12/06	Professor and Director, Surgical Pathology and Director Anatomic Pathology Outreach Indiana University Medical Center, Indianapolis IN
1/07-5/2012	Chairman Albert G. and Harriet G. Smith Endowed Professor Department of Pathology Louisiana State University Health Sciences Center, Shreveport, LA
7/10-5/2012	Residency Program Director
7/2012-present	Nephrologist at Nephropath, Little Rock, AR

Professional Affiliations

International Academy of Pathology
American Society of Nephrology
International Society of Nephrology
Renal Pathology Society
International Society of Urologic Pathology

Professional Activities

National/International

- 2017 [1] Invited speaker – United States and Canadian Academy of Pathology Annual Meeting, Renal Pathology Society Companion Meeting, Hereditary Tubulointerstitial Diseases, March 8, 2017.
- 2016 [1] Invited speaker – American Society Nephrology Annual Meeting November 17, 2016, Chicago “Cystic Lesions and Renal Neoplasm”
- 2014 [1] Co-moderator Cystic kidney diseases of Childhood, American Society of Nephrology Annual Meeting, Philadelphia, November 2014
[2] Invited speaker, “Cystic Kidney Diseases of Children”, American Society of Nephrology Annual Meeting, Philadelphia, November 2014.
- 2013 [1] Invited Speaker – Uro-Oncology Meeting, “Renal Cell Carcinoma: Staging and Specimen Handling”, Arezzo, Tuscany, Italy, May31, 2013.
[2] Invited Speaker – The Banff Pathology Course : Genitourinary Pathology, two presentations “Handling and Reporting of Nephrectomies” and “Pathology of the Non-Neoplastic Kidney: a Survival Guide for the Non-Nephrologist”, Banff, Alberta, Canada, August 29, 2013.
- 2012 [1] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture and 45 min Quiz Bowl on: “Renal Pathology”, Tampa, FL, Feb 13, 2012.
[2] Platform presentation, “Renal Hypoplasia” USCAP Annual Meeting, Vancouver, March 20, 2012.
[3] Co-moderator Renal Pathology Platform, USCAP Annual Meeting, Vancouver, March 20, 2012.
[4] International Society of Urologic Pathology Satellite Meeting, Co-Chair Specimen Handling and Staging Working Group, USCAP Annual Meeting, Vancouver, March 17, 2012.
[5] International Society of Urologic Pathology Satellite Meeting, Invited talk “ Renal sinus and renal sinus invasion, anatomy and histology , USCAP Annual Meeting, Vancouver, March 17, 2012.
- 2011 [1] Invited Speaker – Distinguished Achievement Award, Department of Pathology University of Iowa Hospital and Clinics, Iowa City, IA, Pathology Grand Rounds “Venous Extension and Retrograde Cortical Spread in Renal Cell Carcinoma”, April 14, 2011.
[2] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: “Renal Pathology”, Chicago, IL, Feb 7, 2011.
[3] Abstract Reviewer, American Society Nephrology Annual Meeting, June, 2011.

- 2010 [1] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: “Renal Pathology”, Chicago, IL, April, 2010.
- [2] Visiting Professor, university of Arkansas for Medical Sciences, Little Rock, AK, May 6,7. 2010.
- [3] Invited speaker – “Congenital Nephrotic Syndrome” International Society Pediatric Nephrology, New York, NY, August 28, 2010.
- [4] Invited speaker – “Denys-Drash Syndrome and Diffuse Mesangial Sclerosis”, International Society Pediatric Nephrology, New York, NY, August 30, 2010.
- 2009 [1] Invited speaker – “The Non Neoplastic Kidney in Tumor Nephrectomy Specimens”, International Society of Urologic Pathology Companion Meeting at the United States and Canadian Academy of Pathology Annual Meeting, Boston, MA, March 8, 2009.
- [2] Invited speaker – Urologic Pathology Evening Case Presentation at the United States and Canadian Academy of Pathology Annual Meeting, Boston, MA March 8, 2009.
- [3] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: “Renal Pathology”, Chicago, IL, May, 2009.
- 2008 [1] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: “Renal Pathology”, Chicago, IL, May, 2008
- [2] Invited Speaker – Clinical Science Symposium at the American Society of Nephrology Annual Meeting, “Renal Neoplasms and Cystic Kidney Disease”, Philadelphia, PA, November 7, 2008.
- 2007 [1] Invited Speaker - Renal Pathology Evening Specialty Conference, United States and Canadian academy of Pathology Annual Meeting, San Diego, CA, March, 2007.
- [2] Moderator and Organizer - Renal Pathology Companion Meeting, United States and Canadian academy of Pathology Annual Meeting, San Diego, CA, March, 2007.
- [3] Invited Speaker – American Society of Pediatric Nephrology Annual Meeting, Toronto Canada, April 24, 2007.
- [4] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: “Renal Pathology”, Chicago, IL, May, 2007
- [5] Invited Speaker – Renal Pathology Society 4th Annual Satellite Meeting, A Molecular Based Classification of Renal Cystic Diseases and Other Congenital Anomalies of the Kidney and Urinary Tract, Sept. 14, 2007, Istanbul, Turkey.
- 2006 [1] Invited Speaker – American Society of Nephrology Annual Meeting. November 2006, Co-presenter - Renal Pathology CPC
- [2] Visiting Professor – New York University Medical Center, October, 2006
Pathology Grand Rounds: “The Importance of the Renal Sinus in Renal Cell Carcinoma”
1 hour Resident Slide Unknown Conference
- [3] Invited Speaker – American Society of Pediatric Nephrology Annual Meeting, San Francisco, April 20, 2006
“Congenital Nephrotic Syndrome: An Update”
- [4] Visiting Professor, Ball Memorial Hospital, Muncie, IN, May 22, 2006
2 lectures: “Common Glomerular Diseases”
“Renal Vascular Diseases”
1.5 hr slide unknown conference
- [5] American Society of nephrology Abstract Review, Vice Chair of the Renal Pathology: Clinical/Diagnostic category
- [6] Invited Speaker - International Academy of Pathology Meeting, Montreal, Sept. 20, 2006.
Renal Pathology Symposium “Congenital Nephrotic Syndrome”

- [7] Invited Speaker - International Academy of Pathology Meeting, Montreal, Canada, Sept. 21, 2006.
Urologic Pathology Symposium, "Renal Cell Carcinoma: Update on Staging"
- [8] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: "Renal Pathology", Chicago, IL, May, 2006.
- 2005 [1] Visiting Professor – Southwestern Medical Center, September 20, 2005.
- Pathology Grand Rounds – 1 hour
- Slide unknown conference Pathology Residents – 2 hours
- [2] American Society of Clinical Pathologist Annual Meeting, Seattle, October, 2005.
1/2 day short course – Kidney and liver transplant pathology for the community pathologist
- [3] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: "Renal Pathology", Chicago, IL, May, 2005.
- 2004 [1] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, 105 min Lecture: "Renal Pathology", Chicago, IL, April 26, 2004.
- [2] Ad hoc reviewer
Modern Pathology
Human Pathology
American Journal of Kidney Disease
- [3] Editorial Board – Advances in /Anatomic Pathology
- [4] Visiting Professor, Ball Memorial Hospital, Muncie, IN, July 19, 2004
Lecture: "Renal Neoplasms: The WHO 2004 Classification and the Importance of the Renal Sinus" – 1 hr
Renal Pathology Slide Unknown – 1.5 hr
- [5] Invited speaker – MD Anderson Cancer Center, Pathology Grand Rounds, "Renal Cell Carcinoma: Update on the WHO Classification and The Role of the Renal Sinus in Tumor Dissemination"
- 2003 [1] Moderator – United States and Canadian Academy of Pathology Annual Meeting, Renal Pathology Society Companion Meeting, Washington, D.C., March 28, 2003.
- [2] Invited Speaker – American Society of Clinical Pathologists, Residents In-service Examination Review Course, Chicago, IL, April 7, 2003.
- [3] Surgical Pathology Council, American society of Clinical Pathologists
- [4] American Society of Clinical Pathologists Weekend of Pathology, one-half day workshop "Glomerular Diseases for the non-nephropathologist", Chicago, June 29, 2003.
- [5] Invited Speaker – Rush Presbyterian Medical Center, "Renal Carcinomas: The WHO 2002 Classification and 2002 TNM Staging Update", September 8, 2003.
- [6] Moderator – "An SLE update: clinicopathologic correlation", American Society of Nephrology Annual Meeting, San Diego, CA, November, 2003.
- 2002 [1] Abstract reviewer, United States and Canadian Academy of Pathology Annual Meeting.
- [2] Invited Speaker – American Society of Clinical Pathologists, Residents In-Service Exam Review Course, Chicago, IL, April 7-8, 2002.
- [3] Invited speaker – American Society of Nephrology, Renal biopsy: Interpretation and clinical application, Philadelphia, Nov. 3, 2002.
- 2001 [1] Co-chair Renal Pathology Platform Session, United States and Canadian Academy of Pathology Annual Meeting, Atlanta, GA, March 2001

- [2] Invited Speaker – Residents In-Services Exam Review Course, American Society of Clinical Pathologists Spring Meeting, Chicago, April 22, 2001
 - [3] American Society of Clinical Pathologists, one-half day workshop “Glomerular Diseases for the non-nephropathologist”, Philadelphia, October 21, 2001
 - [4] Editorial Board, *Journal of Urologic Pathology*
 - [5] Editorial Board, *Advances in Anatomic Pathology*
 - [6] United States and Canadian Academy of Pathology Abstract Review Board, *Urologic Pathology*, 2002 Annual Meeting
 - [7] Medicine Grand Rounds, October 18, 2001, The Renal Biopsy in Acute and Rapidly Progressive Renal Failure”, Eisenhower Army Medical Center, Ft. Gordon, GA
- 2000
- [1] American Society of Clinical Pathologists, one-half day workshop “Non-glomerular Kidney Diseases You Will Likely Encounter in Surgical and Autopsy Pathology”, Spring Meeting, Boston, April 8-11, 2000
 - [2] Editorial Board, *Journal of Urologic Pathology*
 - [3] Editorial Board, *Advances in Anatomic Pathology*
 - [4] Invited speaker. Residents In-Service Examination Review Course, “Renal Pathology”, American Society of Clinical Pathologists Fall Meeting, San Diego, CA, October 18, 2000
 - [5] Co-chair Renal Pathology Platform Session, United States and Canadian Academy of Pathology Annual Meeting, New Orleans, LA, March 2000
- 1999
- [1] American Society of Clinical Pathologists “Weekend of Pathology”, one-half day workshop, “Glomerular diseases for the non-nephropathologist”, Las Vegas, NV, February 4-7, 1999
 - [2] Co-chair Renal Pathology Platform Session, United States and Canadian Academy of Pathology Annual Meeting, San Francisco, CA, March 1999
 - [3] Course director, Second Annual UAMS Anatomic Fall Course, 1.5 days, October 15-16, 1999, Lake Hamilton Resort, Hot Springs, AR
 - [4] Editorial Board, *Journal of Urologic Pathology*
- 1998
- [1] Editorial Board, *Journal of Urologic Pathology*, 3-year term
 - [2] Abstract review board, United States and Canadian Academy of Pathology Annual Meeting, Urologic pathology
 - [3] Co-chair platform session, United States and Canadian Academy of Pathology Annual Meeting
 - [4] Abstract review board, American Society of Nephrology, Annual Meeting, Clinical nephrology/clinical neoplasia
 - [5] Renal Pathology Society, Communications Committee
 - [6] Course director, First Annual UAMS Anatomic Pathology Course, 1.5 days, October 30-31, 1998. Fairfield Bay Resort, Fairfield Bay, AR
- 1997
- [1] Abstract Review Board, United States and Canadian Academy of Pathology, Urologic pathology
 - [2] American Society of Clinical Pathologists, one-half day workshop [repeat by invitation] “Glomerular diseases: A workshop for the non-nephropathologist”, Fall ASCP National Meeting, September 20-25, Philadelphia
 - [3] Manuscript reviewer, Ad Hoc, American Journal of Kidney Diseases
 - [4] Manuscript reviewer, Ad Hoc, *Kidney International*
 - [5] Manuscript reviewer, Ad Hoc, *Journal of Urologic Pathology*
 - [6] Manuscript Review Panel, *Human Pathology*

- 1996 [1] Abstract Review Board, United States and Canadian Academy of Pathology, 3-year term, urologic pathology
- [2] Invited speaker, Renal Pathology Society Companion Meeting of the United States and Canadian Academy of Pathology, "Recurrent Diseases in the Transplanted Kidney", March 24, 1996
- [3] American Society of Clinical Pathologists, one-half day workshop "Renal Neoplasms", course conceived and organized by Stephen Bonsib and Donna Lager, April 21, 1996, Boston, MA
- [4] Invited speaker, National Kidney Foundation Spring Clinical Meeting, "Hepatitis C and Cryoglobulinemic Glomerulo-nephritis", Anaheim, CA, April 28, 1996
- [5] Invited speaker, National Kidney Foundation Spring Clinical Meeting, "Renal Biopsy Evaluation", Anaheim, CA, April 28, 1996
- [6] Invited workshop, American Society of Clinical Pathologists, one-half day, Pediatric and Adult Renal Neoplasms: Diagnosis and Histogenesis, Seattle, WA, July 19, 1996
- [7] American Society of Clinical Pathologists, one-half day workshop, "Glomerular Diseases: A workshop for the non-nephrologists", San Diego, CA, September 28, 1996
- [8] Invited speaker, International Academy of Pathology, "Cystic Renal Neoplasms", Budapest, Hungary, October 1996
- [9] Renal Pathology Society, Chairman – Membership Committee
- 1995 [1] Invited speaker, United States and Canadian Academy of Pathology, Genitourinary Pathology Evening Specialty Conference, Toronto, March 15, 1995
- [2] Membership Committee Member, Renal Pathology Society
- [3] Member of Pathology Committee, Cooperative Clinical Trials in Transplantation, 8 medical centers involved
- [4] Invited speaker, Osler Institute, Pathology Board Review Course, "Renal Pathology", Indianapolis, 2-hour lecture, May 1995
- [5] Member of Pathology Committee, Collaborative Clinical Trial of Irbesartan [angiotensin 2 receptor antagonist] in Diabetic Nephropathy
- 1994 [1] Membership Committee Member, Renal Pathology Society
- [2] Member of Pathology Committee, Cooperative Clinical Trials in Transplantation, 8 medical centers involved
- [3] Invited speaker, Indiana University School of Medicine Pathology Grand Rounds, "Cystic and Developmental Kidney Diseases", December 15, 1994
- [4] American Society of Clinical Pathologists, one-half day workshop, "Renal neoplasm diagnosis and histogenesis", course conceived and organized by Stephen Bonsib and Donna Lager, Washington, DC, October 24, 1994
- [5] Invited speaker, Osler Institute, Pathology Board Review Course, "Renal Pathology", Cincinnati, 2-hour lecture, May 26, 1994
- [6] Invited book review, Tisher and Brenner, eds., Renal Pathology for the American Journal of Clinical Pathology
- 1993 [1] American Society of Clinical Pathologists – Teleconference "Renal Cell Carcinoma and Related Renal Cortical Neoplasms: An Update", Stephen Bonsib and Donna Lager, 1.5 hours, December 10, 1993
- [2] American Society of Clinical Pathologists, one-half day

- course, "Antineutrophil Cytoplasmic Antibody and the Histopathologic Diagnosis of Vasculitis", course conceived and organized by Stephen Bonsib and James Goeken, Orlando, October 18, 1993
- [3] Invited speaker, Osler Institute, Pathology Board Review Course, "Renal Pathology", 1-hour lecture, May 27, 1993
- [4] American Society of Clinical Pathologists, one-half day course, "Diagnostic Problems in the Urinary Tract", course conceived and organized by Stephen Bonsib and Michael Cohen, Chicago, March 27, 1993
- [5] Member of Pathology Committee, Cooperative Clinical Trials in Transplantation, 8 medical centers involved
- 1992 [1] American Society of Clinical Pathologists, one-half day course, "Anti-neutrophil Cytoplasmic Antibody and the Histologic Diagnosis of Vasculitis", course conceived and organized by Stephen Bonsib and James Goeken, Las Vegas, October 17, 1992
- [2] Abstract reviewer, American Society of Nephrology Annual Meeting, November 1992
- [3] Member of Pathology Committee, Cooperative Clinical Trials in Transplantation, 8 medical centers involved
- [4] Manuscript reviewer, *Kidney International*
- 1991 [1] Invited speaker: American Society of Clinical Pathologists Teleconference, "Histopathologic Expression and Classification of Vasculitis", 1.5 hours, November 8, 1991
- 1989 [1] Invited speaker: Allegheny General Hospital Conference on Renal Transplantation, "Renal Biopsy-Rejection, Cyclosporin Nephrotoxicity and Glomerulopathy", one hour, Pittsburgh, PA, April 28, 1991
- [2] Manuscript reviewer, *Archives Pathology and Laboratory Medicine*
- 1986 [1] Invited speaker: International Academy of Pathology Nephrology Evening Session, New Orleans, LA, March 1986.

National Committee

American Society of Nephrology

- 2009 - ASN Board of Advisors, member
2008 - ASN Board of Advisors, member
2007 - ASN Board of Advisors, member

Renal Pathology Society

- 2010 - Chair, Urologic Pathology Liaison Committee
- Member Board of Directors
- 2008 - Past President
- Chairman Nominations and Awards Committee
- Member Board of Directors
- 2007 - President
- Member Board of Directors
- Member Program Committee
- 2006 - Vice President and President-Elect
- Member Board of Directors
- Member Program Committee
- 2005 - Counselor
- Member Board of Directors

- Member Scientific and Education Committee
- 2004 - Chair Scientific and Education Committee
 - Member Board of Directors
 - Counselor
- 2003 – Chair Scientific and Education Committee
 - Member Board of Directors
- 2001 – Chair Program committee for: United States Academy of Pathology Annual Meeting
American Society of Pathology Annual Meeting
 - Member Board of Directors
 - Member Finance Committee
- 2001- - Member Awards Committee
- 2000 - Member Publication Committee
 - Member Awards Committee
- 1996 - Chair Membership Committee
 - Member Executive Committee
- 1994, 1995 - Member of Membership Committee

HONORS AND AWARDS

- Renal Pathology Society – The Jacob Churg Award Recipient, USCAP March, 2017
- Indiana University
 - Housestaff Anatomic Pathology Teacher of the Year - 2003
- University of Iowa
 - Pathology Housestaff, Teacher of the Year – 1997
 - Pathology Housestaff, Teacher of the Year – 1995
 - Pathology Housestaff, Teacher of the Year – 1986
 - First Prize: Annual Resident-Fellow Research Competition,
William Beaumont Hospital, May 19, 1982
 - Public Health Service Biochemistry Graduate Student Trainee
[TOIGM1076], 1974-76
 - National Science Foundation – undergraduate summer research
grant [twice awarded] 1971 and 1972, biochemistry research
 - Highest average in Freshman Chemistry, Indiana University, 1969
