PERSONAL INFORMATION

Phone: 706-799-0407
e-mail: nidiamesias@hotmail.com

EDUCATION

High school - Colegio 7 de Setembro, Fortaleza, Brazil – 1989-1992
Medical School - Faculdade de Medicina da Universidade Federal do Ceará,
Fortaleza, Brazil – 1993-1998

POST GRADUATE TRAINING

Research Fellowship in Renal Pathology - Johns Hopkins University – 1999-2000
Anatomic and Clinical Pathology Residency - University of Maryland Medical
Center – 2000-2004

BOARD CERTIFICATION

Board Certification in Anatomic and Clinical Pathology - The American Board of
Pathology - 2008

PROFESSIONAL EXPERIENCE

Physician - Surgical Pathologist, Cancer Hospital of Ceará, Fortaleza, CE, Brazil.
From July-2004 to October 2005

Physician - Clinical Pathologist, Director of the Immunology Section, Laboratório Clementino Fraga, Fortaleza, CE, Brazil. From September 2005 to July 2006

Physician - Surgical Pathologist, Laboratórios Biopse, Fortaleza, CE, Brazil.
From November 2005 to July 2006

Physician - Surgical Pathologist, Charlie Norwood Veterans Affairs Medical Center, Augusta, GA. From October 2007 to January 2008.

Assistant Professor and Staff pathologist – Surgical pathology and Renal pathology, Medical College of Georgia, Augusta, GA. From August 2007 to December 2009.

Medical director, Electron Microscopy Laboratory, Medical College of Georgia, Augusta, GA. From April 2009 to December 2009.

Pathologist, Arkana Laboratories, from January 2010 until current date.

HONORS AND AWARDS

Scholarship recipient at the Special Training Program Scholarship (PET), for outstanding students at the Federal University of Ceará, Brazil. March 1995-June 1997

Scholarship recipient for the National Council for Research and Scientific Development (CNPQ), for research project of students at the Federal University of Ceará, Brazil. July 1997-July 1998

Chief resident, Anatomic and Clinical Pathology Residency, University of Maryland Medical Center July 2002- June 2003

SCIENTIFIC AND PROFESSIONAL SOCIETIES

Member of the Renal Pathology Society - RPS

Member of the College of American Pathologists –CAP

Member of the United States and Canadian Academy of Pathology –USCAP

Member of the American Society for Clinical Pathology – ASCP

Member of the Brazilian Society of Pathology – SBP

Member of Brazilian Medical Council – CRM

COMMITTEE

Delegate for Maryland, USCAP Residents Forum – 2003-2004

PRESENTATIONS

Clinico-pathological Correlation Case Presentation – 13th Annual James B. Hudson Nephrology Update – Augusta, GA, February 2009

Fibroids-Pathology – W.H. Pool Society Weekend – Augusta, GA, March 2008

Uropathology Slides Seminar – XXV Brazilian Congress of Pathology – Natal, RN, Brazil, Oct/ 2005

Molecular Pathology of Cancer – Immunohistochemistry advances – Ceará Cancerology Meeting - Fortaleza, Ceara, Brazil, April 2005

Pathology of Prostate Cancer – Ceará Cancer Hospital Scientific Meeting – Fortaleza, Ceará, Brazil, November 2004

TEACHING EXPERIENCE

MCG Renal biopsy conference – case discussion with pathologic correlation. April 2008 until December 2009, monthly.

MCG Urology Conference – slide review conference for urology fellows. August 2008 until December 2009, bimonthly.

MCG Cancer Conference – case discussion with pathologic correlation. October 2008 until December 2009, monthly.

MCG Lupus Clinic Meeting – multidisciplinary conference, case discussion with pathologic correlation and article review. May 2009 until December 2009, monthly.

MCG Renal pathology module – medical student lectures in renal pathology. April 2008 until December 2009.

MCG Medical student laboratory instruction – Fall 2007 until December 2009.

MCG Surgical Pathology Unknown Conference – Fall 2007 until December 2009, bimonthly.

MCG Didactic Conferences in Renal transplant pathology, electron microscopy, and breast pathology for pathology residents – 2007 until December 2009, annual.

MCG Didactic Conferences in Renal pathology, for nephrology fellows – 2008 until December 2009, annual.

MCG Nephropathology elective for pathology residents – 2008 to December 2009, offered on a as needed basis.

ABSTRACTS

Larsimont D, Durbecq V, Veis I, Cree I, Yiangou C, Ley P, Dupree B, Messias N, Pieretti M, and Blumencranz P.
